

Trainer Bio: Jean-Marie Jobs

Professional Experience

Starting her training career in 1998, Jean-Marie is a master trainer, having delivered over 12,000 hours of in-person training. Her experience ranges from the non-profit sector to corporate markets in the US to intercultural work in Canada, Europe, Asia, Africa, and the Middle East. Jean founded GAP Community, Inc. (a nonprofit corporation) in 1998 and Yellow Marker, Inc. (a consulting and training organization) in 2012 with the vision of bringing character and values to the foreground both personally and professionally. Jean has worked with large organizations such as Disney, ESPN, Microsoft, Interstate Batteries, United Airlines, World Vision, and BMW on corporate culture and change management.
