## LX Overview

**LX Name:** “Las Vegas Strip Scavenger Hunt”

**Why This LX Is Important:** Developing strong teamwork is the goal of any business owner, manager, or coach. And team-building modules or programs can help bring teams closer together and develop certain skills. When teams have an opportunity to work together in a non-working setting, it ensures they have fun, deepen their relationships with each other, and learn how to develop team-building essentials that they will apply when they return to the operation. This program is proven to engage teams of all sizes and ensure a memorable experience for each team member.

**LX Length:** Four hours in-person

**LX Participants:** Each session is designed for a maximum of 24 team members

**LX Overview:** Shane Green’s team-building scavenger hunt program is designed to engage team members of any rank and teams of any size to have fun and deepen the team’s relationship and ability to work together more cohesively. As a result of attending this session, participants will be able to practice the necessary behaviors to help their teams effectively communicate, collaborate, and solve problems. These behaviors will ultimately help these team members work together successfully, specifically so that they are empowered and know how to handle challenges collaboratively.

This in-person program is hosted on the Las Vegas Strip, where teams will have to solve a series of unique, challenging clues that will lead them to various iconic locations that only the Strip has to offer. These clues will ultimately stimulate your team’s creative and team-building abilities. By understanding the power of collaboration, your teams will leave this program better capable of working together through any challenge.

**LX Takeaways:** This interactive learning experience is designed with the following outcomes for each participant:

1. Participants will understand the habits and behaviors that help a team collaborate, communicate, and make decisions more cooperatively.
2. Participants will have fun with each other as they deepen their relationships with their fellow team members and put their problem-solving skills to the test.

**Price (for a Certified Trainer):** \$4,800 per session
